Dear

I am sorry to have to send this letter, however, I feel it necessary to let you know of the difficulties I am experiencing as a result of describe behaviour e.g. your child/ren and their friends gathering in front of my property. They are making a lot of noise/causing damage/ with footballs etc at what time of day...

I understand you may not be aware of the problems I/we are experiencing however your consideration would be gratefully appreciated.

My children/parent/self are unable to sleep/to do homework/enjoy *our garden*. Our car/gate/garden have been damaged by.....I would be grateful if you could ensure that your child/ren could play with more consideration towards the other people living in this area as this would enable us to enjoy our home.

I understand that children/young people need somewhere safe to play with their friends and will be happy to discuss solutions to these problems with you further at your convenience.

I hope we can continue to enjoy good neighbourly relations in the future.

Yours sincerely
