

**ACCESS TO PROPERTY INFORMATION**  
**FOR THE YEAR ENDING 31 MARCH 2010**

The total cost to the authority of granting access to property records to an individual or through a local authority search was £32,764

The number of requests for granting access to property records either to an individual or through a local authority search was 4,005.

The total income (or notional income) to the authority from granting access to property records was £43,399

**Explanatory Note**

This information is published as required by the Local Authorities (England) (Charges for Property Searches) Regulations 2008. It relates to granting access to the information covered by the questions included in forms CON29R and CON29O. It includes access to this information by both the Authority or any other person. It does not include any additional costs incurred by the Authority or income received by the Authority in converting the information accessed to a form CON29 R or form CON29O. Nor does it include access granted to the Local Land Charges Register.
