

# Spring has sprung!

What signs of Spring can you find today?  
Complete the boxes as you go!

Can you find 3 different shaped leaves?

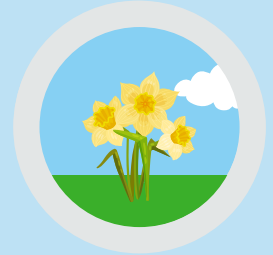

1.

2.

3.

Find and count the petals on a Daffodil!

How many petals?

Look to the sky!

Draw all the shapes that you see in the clouds

See if you can spot a bee!  
What noise does it make?

.....

Trees grow with different types of textures!

Can you find a tree with rough bark and one with smooth bark?

Rough

Smooth

Take a moment..

What can you hear?

.....

.....

.....

What other insects can you see?

.....

.....

.....

Can you see any animal footprints?

Guess whose foot it belongs to!

.....
