PLANNER PANDA

MOULD MOLE

FREEZE RAY

LEFTOVER LEGEND

Dear Parents and Carers,

Stukeley Meadows Primary School is excited to be working with Huntingdonshire District Council on the Meal Savers Campaign, a fun, superhero-themed programme designed to help children and families reduce food waste.

About the Meal Savers

Over six weeks, pupils will meet the Meal Savers superheroes.

Each one teaches a simple food-saving habit: planning meals, choosing the right portions, spotting when food is still safe, reusing leftovers, using the freezer, and celebrating success.

Each week, your child will bring home a worksheet to complete with you before the next week, as part of their homework.

Homework for parents and carers – we need you help too!

We need your help too, especially if your child(ren) have school dinners.

- This weekend, please sit down with your child(ren) to plan their school meals for the coming week, if they have school dinners.
- When you order school dinners make sure you give the **canteen at least 48 notice** so they have time to prepare.

This will help our canteen staff prepare the right amounts of food, reduces waste, and makes lunchtimes smoother.

Coming soon – the Panda Planner

And next week we will introduce you to the first Meal Savers character - the Panda Planner - to encourage you to plan meals together as a family.

We look forward to working with you all on helping to reduce food waste locally.

Kind regards,

Mrs Chris Daly
