- High Street and New Street carriageway resurfaced
- Spot repairs completed along High Street footways and kerbs
- Completion of York Stone repaving outside Nationwide and the Old Falcon
- Ongoing door-to-door engagement with residents and businesses

Week Commencing 20th January 2025:

- York stone paving on Market Square west
- Granite paving on Market Square south
- Construction of Rain Garden 4 on southwest corner of Market Square
- Excavate and construct tree pits on Market Square south
- Bollard installation along Market Place southern footway and around Market Square
- **Traffic management this week:**
 - **Market Square south is an active construction site and should not be accessed without permission from the site manager.**
 - Market Square north is now open to pedestrians however small works may still be taking place in this area in the coming weeks. Works will be fenced off from the public and minor diversions put in place
 - Loading area fenced off for use of businesses on Market Place

Both the Thursday Charter Market and Saturday Farmer's Markets will take place as normal on the Market Square throughout these works. Businesses around the Market Square are open and trading as usual. Please note that at times there may be other road works taking place in St Neots town centre that are not part of this project, such as scheduled or emergency works to statutory utilities. More information on such works can be found at [One.Network](#).
